

SHORT LOCAL NEWS OF GENERAL INTEREST

RECENT HAPPENINGS IN CITY AND COUNTY.

Doings of People in Which All Sections of Lancaster County Are Interested.

Several Lancaster people made automobile trips to Columbia Sunday and they report that the roads are in good shape. Those returning Sunday evening said that it was easily possible to maintain an average speed of 30 miles per hour between Lancaster and Columbia.

"I have made a trip via automobile to Heath Springs many times in my life but I never saw the road in such splendid shape before," declared a Lancaster citizen yesterday. The gentleman made the trip Sunday and he says that the highway is in fine shape all the way and that it is a genuine pleasure to motor over it.

Merchants report that Saturday was a splendid business day in Lancaster. The political speaking had attracted a number of country people to the city for the day and they bought freely at many of the local stores. Local merchants believe that trade conditions will steadily improve from now until summer arrives.

Beech Camp No. 376, Woodmen of the World, conducted interesting and impressive exercises at West Side cemetery Sunday afternoon when a monument was unveiled to a deceased Sovereign, H. Frank Bell. A throng of people gathered for the exercises and the Woodmen ritual made an impression on those present who are not members of the order.

The mock marriage conducted at the Mackey Opera House Friday evening under the auspices of the ladies of the Methodist church occasioned much merriment and the audience passed a delightful two hours. The undertaking was also a splendid success from a financial standpoint and a neat sum was realized for church purposes. The theatre was well filled.

Plans are on foot in Lancaster for forming a party to visit Washington on March 5 for the inauguration of Woodrow Wilson as President of the United States. Washington is a mecca for tourists and the additional attraction of the inauguration will serve to draw many visitors from all over the nation. It is possible that sufficient Lancaster people may decide to make the trip to warrant reserving an entire Pullman car for the local delegation.

Those who attended the meeting of ministers and deacons of Bethel Presbytery, held in York last week, say that the meeting was a zealous one and well attended. John B. Barron of Rock Hill was elected president of the association and it was decided that the next meeting will be held in the "Good Town" the exact date to be announced later. The association hopes to have not less than 100 deacons in attendance at the next meeting.

The electric current, with which the Lancaster Cotton Mill village is to be lighted, was turned on for the first time Saturday evening. The people of the mill community hailed the innovation with delight and they say that they are much pleased over the great improvement. In addition to the electric lights, the mill village is now supplied with running water and the mill people regard this as being an even greater improvement than the lights.

Officials of Lancaster Sunday Schools of all denominations report that "Come to Sunday School Sunday" as observed in Lancaster last Sunday was a remarkable success in every sense of the word. The Sunday school rooms at all the churches were crowded and reports of superintendents indicate that there was an increase over the normal average attendance of not less than fifty per cent. In addition, the collections at a majority of the Sunday schools increased fully fifty per cent.

Great disappointment was occasioned in Lancaster Sunday morning when Ex-Governor Patterson of Tennessee, who was scheduled to speak at the Lancaster Methodist church, failed to arrive. All other churches of the city had cancelled their service for the morning hour in order that their members might join in the service. Gov. Patterson is speaking in South Carolina in the anti-saloon league cause and his appearance here had been eagerly anticipated. No explanation of why he failed to arrive has yet been made.

Mrs. J. D. Funderburk left Sunday for Chester to be with her husband, who underwent an operation for appendicitis at the Pryor hospital on Monday.

Miss Bernice Davis, milliner for the Lancaster Department Store, left Sunday night for Northern points to assist Miss Fannie Clarke, head milliner, whom she joined in Charlotte, N. C., in purchasing the spring millinery.

Plans for School Field Day will be thoroughly discussed at a meeting of the County Teachers Association, which is to be held in Lancaster next Saturday. The meeting will be called to order promptly at 11 o'clock in the Central School building. An interesting program has been arranged.

Mrs. John P. Hunter delightfully entertained the members of the Friday Afternoon Book Club at 3:30 o'clock. After the regular program was carried out in full, refreshments in four courses were served. Pink carnations gave color and fragrance to the afternoon's entertainment.

W. E. Davis, who has been conducting a Five and Ten Cents store on Main street, has moved his stock of goods to Morganton, N. C., and will consolidate his stock and conduct a first class establishment in North Carolina. He has been operating a successful store in Morganton for some years.

"Miss George Washington" is a feature attraction to be presented by the Star theatre Thursday night. This stirring play was staged under the direction of Daniel Frohman and Miss Marguerite Clark is the star in the cast. Manager Parr says that his patrons are sure to be pleased with this splendid production.

Miss Annie Pickens, who made her home in Lancaster for two years, is here for a short visit. Miss Pickens is a native of Charleston, but is taking a course as a trained nurse at Johns Hopkins hospital. She has been on a visit to relatives at Charleston and is now en route to Baltimore to resume her studies.

Discussing yesterday the steadily increasing price of all merchandise, R. B. Robinson, manager of the Robinson-Cloud Company, declared that he was much pleased over the fact that he bought heavily eight months ago in the line of staple piece goods and he therefore expects his business during the present year in that line to be unusually good.

Miss Flora Robinson, who is in charge of the Ladies' Ready-to-Wear department of the Robinson-Cloud Company, left last night for New York city where she will spend a fortnight buying goods for the spring and summer trade of this popular establishment. She will be joined in New York by Miss Ida Porter, head milliner for the Robinson-Cloud Company, and Miss Porter will buy the spring and summer millinery for the establishment.

Lancaster people learned with interest yesterday that W. R. Bradford of York, who has been a candidate for the unexpired term to congress from the Fifth Congressional district, has withdrawn from the race. Mr. Bradford had already filed his pledge, but said, after ascertaining that the short term member would sit in congress only two days, that "the game isn't worth the candle." This leaves three candidates in the race, I. C. Hough of Camden, J. W. Hamel of Kershaw and Paul G. McCorkle of York.

People of this city and county learned Sunday with deep regret of the death of Dr. J. E. W. Haile, which took place at his home in Rock Hill Sunday morning at an early hour. Dr. Haile had not been well for some days, but his condition was not regarded as serious and his relatives and friends were therefore totally unprepared for the sad intelligence that he was dead. Dr. Haile made his home in Kershaw for a number of years and he had many friends and acquaintances in all parts of Lancaster county.

There appears to be some confusion in the minds of a few people about the exact date for the first and second primary elections to choose a congressman from this district. The first primary will be held next Friday, February 16, at which time the voter will cast a ballot for the man to fill the unexpired term and one to fill the full term. The next election will be held on Wednesday, February 21 and on that date the two highest men in each race will be balloted for. The second election is a second primary and a general election combined. The successful candidate for the unexpired term will serve until March 6 and on that date the successful candidate for the full term will take the oath of office.

J. Lyles Glenn For Congress

To the Democratic Voters of the Fifth District:

In the time allotted by our Democratic campaign I have had time to visit but few more places than those selected for Campaign meetings.

I believe that it is not necessary to set forth my qualifications in detail in this letter to you, for I have friends in every community familiar with my years of experience as an active lawyer and of continued service to the public in my own town county and State.

I am a Southern Democrat and believe in the rule of the people. I have made my campaign for a national office upon national issues. I AM A LOVER OF PEACE, but I believe in adequate preparedness of our nation for defence against invasion. I heartily endorse A VIG-

OROUS AND PROMPT INVESTIGATION OF THE INCREASED COST OF LIVING TO THE TOWNSMAN AND OF FARM SUPPLIES TO THE FARMER, with a view of securing relief from the control of the food supplies by the monopolies and trusts. I believe in federal aid for roads to facilitate the delivery of mails on R. F. D. routes.

From my wide experience in public affairs I feel sure that I can best serve the Fifth District in Congress when our nation is now facing the most serious crisis in its history. In serving the people of the Fifth District I will use the same principles of right and fair dealing that I have always used in my past life.

Yours respectfully,

J. LYLES GLENN.

Croup Relieved in Fifteen Minutes

No need to dose delicate little stomachs with nauseous drugs or alcoholic syrups. Simply rub a little Vick's "Vapo-O-Rub" Salve over the throat and chest. The vapors inhaled loosen the tough, choking phlegm and ease the difficult breathing. One application at bedtime insures a sound night's sleep. 25c, 50c, or \$1.00.

VICK'S VAPOR SALVE

WHAT IS LAX-FOS

LAX-FOS is an improved Cascara (a tonic-laxative) pleasant to take. In LAX-FOS the Cascara is improved by the addition of certain harmless chemicals which increase the efficiency of the Cascara, making it better than ordinary Cascara. LAX-FOS is pleasant to take and does not gripe nor disturb stomach. Adapted to children as well as adults. Just try one bottle for constipation. 50c.
